OF SMALL ENTITY STATUS UNDER 37 C.F.R. § 1.27(G)(2)**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On March 14, 2006, a Notification of Loss of Entitlement of Small Entity Status was filed in connection with the above-identified application. However, from a review of the U. S. Patent and Trademark Office's Patent Application Information Retrieval (PAIR) system, although said Notification is contained in the USPTO's Image File Wrapper, the entity status of this application is still indicated as being a **small** entity.

Accordingly, the U. S. Patent and Trademark Office's records should be corrected to reflect that the present matter should be considered a **large** entity.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17; particularly, extension of time fees.
